

Protect Clean Water & Our Children's Future

Vote "YES" To:

- ▶ Ensure clean drinking water
- ▶ Protect water quality in our rivers, lakes, and streams
- ▶ Preserve wildlife habitat, working farms, historic sites & natural areas
- ▶ Create jobs restoring natural and historic landmarks & building parks
- ▶ Cost each household less than \$1 per month
- ▶ Require full public disclosure of all spending
- ▶ Leave a legacy for our children and grandchildren

On November 3, 2009 ...

VOTE YES

For the Green Acres, Clean Water, Farmland & Historic Preservation Act
